UNITED AIRLINES TO START NONSTOP FORT MYERS TO LOS ANGELES AND SAN FRANCISCO SERVICE THIS WINTER

The Lee County Port Authority is pleased to announce that United Airlines will inaugurate new nonstop flights between Fort Myers, Fla. and Los Angeles and San Francisco on Dec. 16, 2021. This is the first time in airport history that Southwest Florida International Airport (RSW) will have nonstop service to San Francisco International Airport (SFO) and a new nonstop option to Los Angeles International Airport (LAX). The daily flights for both markets will be operated seasonally from Dec. 16, 2021 to May 5, 2022 on 737-800s.

"We are very excited about United Airlines announcing nonstop service to the West Coast from Southwest Florida International Airport," said Ben Siegel, CPA, C.M., executive director of the Lee County Port Authority. "Service to San Francisco has been at the top of the list for nonstop destinations by our community and having a new nonstop option to Los Angeles is also going to be well received by travelers."
