SOUTHWEST FLORIDA INTERNATIONAL AIRPORT TO OFFER REMOTE PARKING THIS HOLIDAY

FORT MYERS, Fla. (Dec. 11, 2023) – Southwest Florida International Airport (RSW) will offer passengers a remote and reserved parking option this holiday. The RSWRemote parking lot, located on the north side of the airport property, will be accepting cars to enter for parking from Wednesday, Dec. 20, through Sunday, Dec. 24, 2023. Cars can exit from Christmas Day through Wednesday, Jan. 3, 2024. The cost will be a flat \$40 fee, no matter how many days you choose to park and is non-refundable. You must reserve and prepay for a parking space prior to coming to the airport. To book and prepay for your RSWRemote parking spot, please visit jpass.rswremoteparking.com or download the RSWRemote Park App.

The Transportation Security Administration recommends getting to the airport at least two hours prior to your flight departure time for domestic flights and three hours for international flights. We recommend adding 30 more minutes to your travel time to use RSWRemote. Shuttles will be operating from the remote lot to the terminal curb from 3 a.m. until 7 p.m.; and will take parkers from the terminal to the remote lot from 8 a.m. until the last daily flight arrival.

How does it work? Reserve and prepay for your spot; You will receive an email with a QR code or your booking will show up in the passes section of the RSWRemote Park App; Arrive at the RSWRemote lot and show the attendant your QR code; Park your car; Take the complimentary shuttle bus, which will take you to the upper level (departures) terminal curb prior to Door #1. When you arrive back at RSW, you will need to take a return shuttle back to the remote lot from the same location where you were dropped off. Please look for signage.

The RSWRemote parking lot is located on Regional Lane, which is off Chamberlin Parkway, on the north side of the airport property. Please take Daniels Parkway to Chamberlin Parkway and follow signs. Make a right onto Regional Lane (across the street from the original Airport Traffic Control Tower). You will need to show the parking attendant your QR code for admittance to the lot. An RSWRemote reservation is only good in the remote parking lot and does not apply to the long- or short-term lots at the airport. For questions or more information, please call ABM Parking at 239-768-1818 or email RSWParking@abm.com.

The Lee County Port Authority expects a very busy holiday and still encourages travelers to consider alternative ways to get to the airport, like being dropped off by friends and family or using commercial transportation. If necessary, LCPA will post parking updates on the airport's [website](#) and [Facebook](#) to keep travelers informed on availability.

Southwest Florida International Airport served a record-breaking 10.3 million passengers in 2022 and is one of the top 50 U.S. airports for passenger traffic. No ad valorem (property) taxes are used for airport operation or construction. For more information, visit flylcpa.com or facebook.com/flyRSW.
